

BALBOA PARK MOTALA – Sept. 25, 2010

It was a beautiful but warm day in Balboa Park and many individuals and families came to try their O skills in the Park setting. It was a fine event for National Orienteering Day.

There were four courses that were taken in random order and some elected to do one or more courses, based on the descriptions that our course setter, Jeff Jacobs' had posted about the lengths and difficulty.

We were fortunate to have Doug Ernst giving instruction and Stan Watson and Tad Gallistel, assisting throughout the event. The Dubois Family and others picked up controls.

Thanks to Bill Gookin for the nice maps that he printed for us. Vityalte, watermelon and good conversations were shared after the meet!
